YORK COUNTY FLYERS

AMA CHAPTER #1677

WHO ARE THE YORK COUNTY FLYERS?

York County Flyers is a non-profit corporation of over a hundred Carolinians devoted to promoting interest in, building and flying radio controlled model aircraft.

I'M NOT READY TO FLY, CAN I JUST WATCH.

Absolutely, in fact bring the whole family and have a picnic. We love seeing new people and are more than willing to answer questions. Just please stay behind the spectator fence.

NEVER FLOWN BEFORE, NOT A PROBLEM!

We have Flight Instructors that are more than happy to teach you, as well as many other members willing to help. We have a basic sail plane you can Buddy Box with, so you can get a feel of flying an RC plane before purchasing any equipment. To locate an Instructor go to our website under the About tab click "Go to Guys" or you can always stop by the field and anyone will be more than happy to help you.

WHO CAN JOIN THE YORK COUNTY FLYERS?

We welcome every one of all ages to come and join us in the fun, the more the merrier! We love to share our knowledge and see others enjoy the hobby.

We have 4 Membership levels, see our website for Membership rates:

Junior Membership: 19 and Under – **Free.**

Family Membership: 2 Adults (same household), and Children/Grandchildren.

Regular Membership: Ages 19 – 64.

Senior Membership: Ages 65 and over.

DO YOU GUYS DO PRESENTATIONS?

Why YES we do. We do presentations at the local schools and have been invited to fly at special events. We enjoy getting out in the community. Contact one of the Officers to set up a presentation.

HOW DO I GET STARTED?

The first steps are to join the AMA and York County Flyers.

You can sign up with the AMA online at www.modelaircraft.org.

The YCF membership can be done online or hardcopy. Membership information can be found at www.yorkcountyflyers.com
